## PROFILE

Hardworking and passionate Technical Intern seeker with strong organizational skills eager to basically learn while solving problems using technology. I Offer my skills in Web development and willingness to take on any challenge Ready to help team achieve company goals and improve more on my skills.

### WORK EXPERIENCE

#### IT INTERN

2020 Feb - June 2020

#### SHINING HOPE FOR COMMUNITIES ORGANISATION

- Researched technical issues thoroughly to complete accurate repair work.
- Kept team technical documentation and inventory records updated.
- Assisted with installation and upgrading of software to meet changing team needs.
- Shadowed qualified technical team members to develop maintenance and repair skills.

### ADDITIONAL INFORMATION

I've also learnt some short online courses from Cisco school of Networking, and its been a very nice experience. Im always looking forward to add more skills and other certifications later on in the future.
